

October 28, 2019

Dear Corporate Sponsor-

Nothing signals the end of another year like the realization that Art Under the Oaks is right around the corner! Before you know it, Thanksgiving, Christmas and New Year festivities are behind us and the Snowbirds are among us!

On January 18, 2020, San Pedro will be hosting its 37th Art Under the Oaks, and if we had our way, we would see you, our friends, and family at the event in Tavernier! We know of no other local event that comes close to the advertising, art interest and family fun that Art Under the Oaks provides.

As our major fund-raising event of the year, proceeds help San Pedro provide much needed community services and care for our parish home. We deeply appreciate the support that you have already provided and are asking that you please consider being a sponsor for this year's event. Your sponsorship will help defray increasing costs of the event so that we can further serve our Keys Community through services such as the food pantry, temporary emergency support and other guidance to families in need, as well as scholarships, weddings, educational and community functions. All funds stay local and are tax deductible.

By receiving your donation by November 28th, we will be able to add your name or company logo to event posters scheduled for distribution in early December. Donations after this date will course, still be accepted and we will include your name in subsequent marketing materials. If you have a company banner, we are happy to display it the day of the event.

Being a Sponsor of Art Under the Oaks provides an additional opportunity to build awareness of your business and to show your company's commitment to our community. You are certain to benefit from supporting our local and visiting artists as you enjoy an unforgettable day!

Thank you for your consideration and feel free to contact me directly should you have any questions. Please see the following page for additional information.

Respectfully,

Lynn Clements
Chairperson, Art Under the Oaks 2020
