"The hour has come for the Son of Man to be glorified. Amen, amen, I say to you, unless a grain of wheat falls to the ground and dies, it remains just a grain of wheat; but if it dies, it produces much fruit."
John 12: 23,24

Your gift to the ABCD ensures the Church's mission of serving the people of God can continue. Visit www.sanpedroparish.org and click the WeShare icon, contact the San Pedro Parish office at 305.852.5372 or utilize the new "Text-To-Give" program by texting "Pedro" to 833-336-9083 to receive a link to contribute.

Father, Forgive Them

The promise made by the LORD in the first reading is very bold. He says that all people shall know him, without having to be taught by others. The way people will know Him is through forgiveness of their sins. Remember, he is speaking to the Israelites: When they broke a commandment or law, they were isolated from the community. So the promise that God would place his law in their hearts meant they would be free to do God's will because they want to, not because they were feared punishment or rejection.

Jesus says something similar in today's gospel. He tells the disciples that his crucifixion would draw everyone to him. Now, Jesus' death showed that he took on the punishment for sins in place of us, who deserve it. By dying on the cross, Jesus shows how much God loves us. By rising from the dead, he shows that we can rise from sin to a new life of faith and love.

Getting back to the first reading, we experience that promise when we bring our sins to God. When we forgive people who have hurt us, we also help them to experience that love. We also help others to know God when we share or experience of being forgiven. The sacrament of Reconciliation gives us the assurance of God's forgiveness, as well as the experience. Along with the other sacraments, it helps us keep God's love in our hearts.

FKAA Updates

As part of the Islamorada Transmission Main Replacement Project, the FKAA began work on March 13, 2024, to install 1,750 feet of pipe at Whale Harbor Crossing. The pipe will be installed underwater via directional drill, to ensure protection from high winds and storm surges.

"The work at Whale Harbor Crossing is a critical piece to the Islamorada Transmission Main Replacement Project," said Greg Veliz, Executive Director of the FKAA. "The pipe at the north end of the crossing will serve as the future connection point to the new Windley Key main that we will begin installing later this spring. The Islamorada and Windley Key projects will remedy sections of the original main that are most vulnerable."

The Whale Harbor Crossing segment is expected to take between three and six months to complete. Crews will work from 8 a.m. to 5 p.m. Monday through Friday and will pause work for major holidays and events. Rolling lane closures for the Whale Harbor Crossing segment are not expected, but shoulder barrels will be present. Motorists should proceed with caution and maintain a speed limit of 35 MPH through the work zone. The Islamorada Transmission Main Replacement Project (MM 79 to MM 84) is progressing ahead of schedule. Traffic impacts are expected to lessen after March 2024, and the project is expected to be completed in February 2025. In April 2024, the Windley Key Transmission Main Replacement Project will begin. Crews will replace about a mile and a half (8,250 linear feet) of the 30-inch transmission main with a new 36-inch cathodically protected main.

For more information about FKAA and the upcoming Whale Harbor Crossing work, visit https://bit.ly/islamoradaproject or follow the FKAA on Facebook and X. If you have questions, please contact a local, FKAA customer service representative by calling (833) 588-5865 or emailing community@fkaa.com. After-hours support is available at (305) 296-2454.
