SOMETHING NEW IN CHRIST

Jesus knew that the scribes and Pharisees were trying to trap him. They put him in what seemed to be a no-win situation. Let the woman who was caught in adultery go, and he would have been accused of ignoring the law. Let her be stoned, and he would fail to show mercy toward her, contradicting his life's message. Jesus' response teaches three crucial lessons: none of us is free of sin; we are not the ultimate judges of others; Jesus is the mercy of God, in whom we can always trust. In Christ, God does something new. When we give our hearts to Christ, we have the hope of new life, a life in which mercy reigns.

PRAYER OF THE WEEK

Fifth Sunday of Lent

By your help, we beseech you, Lord our God,
may we walk eagerly in that same charity
with which, out of love for the world,
your Son handed himself over to death.
Through our Lord Jesus Christ, your Son,
who lives and reigns with you
in the unity of the Holy Spirit,
God, for ever and ever.

HELPING YOUR NEIGHBOR

If you truly want to help the soul of your neighbor, you should approach God first with all your heart. Ask God simply to fill you with charity . . . with it you can accomplish what you desire.

—St. Vincent Ferrer

April is Child Abuse Prevention Month

The Archdiocese of Miami has robustly participated in the Unites States Conference of Catholic Bishops' Charter for the Protection of Children and Young People since its inception over 17 years ago and has been in compliance every year. This can only happen with the dedication of pastors, principals, directors and coordinators of religious education, administration and staff in collaboration with parents and volunteers.

Did you know... Child abuse comes in many forms. Most people identify child abuse as physically hitting a child. Neglect is also a form of abuse. Failing to provide a child with proper nutrition, housing and supervision can cause irreparable harm. Expectations that a child be an active participant in the care of home and family, or even age-appropriate jobs is a part of healthy development. But excessive demands can cross into a form of servitude that is beyond the societal norms. Child pornography is a form of sexual abuse, with real victims in every image. The viewing of these images is an offence against the human dignity.
