THE MESSAGE OF CHRIST'S LOVE

From the proclamation of the Gospel at the beginning of the liturgy, we know that today is different, not only because we hear two Gospel passages, or because we hold palms and move in procession. Today begins Holy Week, a time set apart, a week in which to listen, pray, reflect, and take to heart the truth of Christ's passion, crucifixion, death, and ultimately, resurrection. It takes a week, and a lifetime, to truly hear the message of Christ's love. It is difficult for us to comprehend that Jesus willingly sacrificed himself, so we must hear the story again and again. Let this week be for us a new moment of faith in which we, together with the criminal who was crucified with Christ, cry out, "Jesus, remember me when you come into your kingdom."

Saints And Special Observances

ESSENTIAL REDUCTION

All my theology is reduced to this narrow compass: "Jesus Christ came into the world to save sinners."

—Archibald Alexander

PRAYER OF THE WEEK

Palm Sunday of the Passion of the Lord

Almighty ever-living God,
who as an example of humility

Who lives and reigns with you

April is Child Abuse Prevention Month

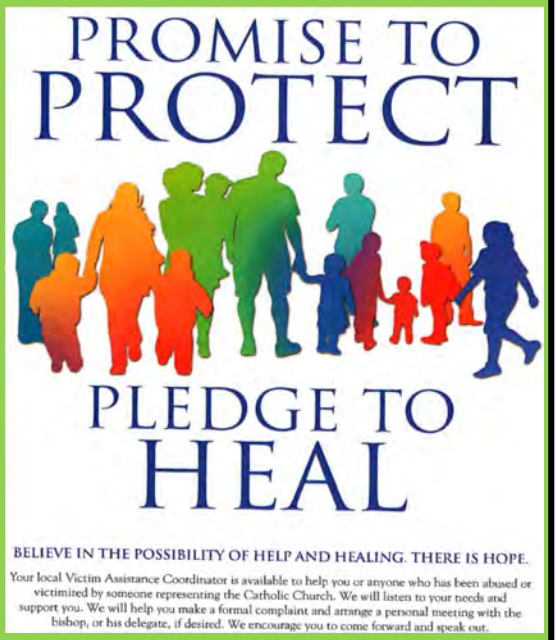

The Archdiocese of Miami has robustly participated in the Unites States Conference of Catholic Bishops' Charter for the Protection of Children and Young People since its inception over 17 years ago and has been in compliance every year. This can only happen with the dedication of pastors, principals, directors and coordinators of religious education, administration and staff in collaboration with parents and volunteers.

Did you know... Child abuse can occur in every culture and every socio-economic demographic. Peer reviewed research, especially that of the past 30 years, repeatedly shows this to be true. This same research indicates that the vast majority of child abuse occurs at the hands of someone known to the victim. Those who seek to do harm to children will pursue opportunities that provide access to children and may even ingratiate themselves into the home. You can protect children by respecting the safe environment protocols stablished at youth serving organizations. More importantly, you can implement many of these protocols in your home and be ever observant and valiant in all public and private settings.
