**Give Thanks To Our Loving God**

Does the Christian duty to help the poor seem to be overwhelming? We hear more and more about the homeless and jobless. Even in St. Paul's time there was more than enough poverty to go around. He was trying to build interest (in our second reading) in a project to help the Christians in Jerusalem. We see two of his reasons here.

First he tells what fine Christians they are, and hopes that they will be just as good in giving to his collection. Paul is challenging them to continue to show their love for God in their support for fellow Christians. The second reason was to show a good example: By helping the church in Jerusalem, they would show that Christians were united in faith and love for each other.

The main example he uses is Jesus, who made himself poor (i.e., human) so that we could be rich in grace and forgiveness. Paul challenges them, and us, to follow that example in giving from our wealth so that others can survive. Note that he doesn't expect them to live in poverty, just to share what they have out of love for Christ.

Today, we can ask ourselves, "Do I give to the poor because I feel guilty about all that I have? Or do I want to show my love for Jesus when I see him in the poor?" By looking at why we give to charities, we may find ourselves being even more generous than we expected.

Congratulations to our 2024 Confirmation class!

ARCHDIOCESE OF MIAMI

VOTE **NO** ON AMENDMENT 4!

Florida Bishops Oppose Extreme Abortion Amendment Vote No on Amendment 4

Florida Amendment 4, which will appear on Florida's November 2024 ballot, is an extreme proposal that legalizes full-term abortion with no protections for the preborn child, including when the child is capable of feeling pain. This proposed amendment to our state constitution would prohibit all restrictions on abortion before viability and create a broad exception that any healthcare provider could exploit to allow abortion up to birth.

Furthermore, the amendment would effectively overturn or seriously jeopardize common-sense state laws that have regulated abortion for years. These include basic health and safety requirements for clinics where abortions are performed, requiring a physician to perform abortions, informed consent requirements, laws limiting public funding of abortion, and parental consent requirements before a minor's abortion.¹ These risks demonstrate the extreme nature of the amendment.

We urge all Floridians of goodwill to stand against the legalization of late-term abortion and oppose the abortion amendment. In doing so, we will not only protect the weakest, most innocent, and defenseless of human life among us but also countless women throughout the state from the harms of abortion.

Human life is sacred. The dignity of the human person is the foundation of a moral vision of society. Direct attacks on innocent persons are never morally acceptable, at any stage or in any condition. In our state, human life is repeatedly being destroyed by abortion. Over 84,000 vulnerable and voiceless children were aborted in Florida in 2023.

This matter concerning the respect for human dignity and the fundamental value of human life is of grave importance to both our Church and our state. The threat of abortion remains our pre-eminent public policy priority. Therefore, we support a coordinated campaign to mobilize against the proposed amendment. To this end, we offer this prayer to defeat Amendment 4:

Ever-living God, you give life and desire a future for all your children. Take hold of our nation, state and community and awaken in every heart awe for the gift of life. Send your Spirit to strengthen us with wisdom and fortitude as we defend mothers and children in Florida from laws that disregard their health and safety.

Mary and Joseph trusted in you and welcomed Jesus into our broken world. God Almighty, we ask their intercession to protect the preborn and their mothers, and to guide all parents in raising their children. May they help us build a civilization of love by upholding the sacredness of life and accompanying pregnant women in need.

We ask this through Christ, our Lord. Amen.

Our Lady, Mother of the Family, pray for us! St. Joseph, Protector of the Unborn, pray for us!

¹ Florida law distinguishes between parental *consent* prior to a minor's abortion (Ch. 390.01114(5)) which would be invalidated by Amendment 4 and parental *notice* of a minor's abortion (Ch. 390.01114(4)), which would be retained.
