Key To The City

Sometimes a mayor presents the key to the city to a citizen who has given outstanding service to the community. When Jesus gives Simon the keys to the kingdom of heaven, it is more than just a symbolic honor bestowed by a mayor. Jesus is actually giving both a blessing and a responsibility.

The blessing is that Peter recognized Jesus as the Son of God. Even today, people are blessed with this kind of faith. An atheist who has heard of Jesus but regards him as just another holy man may receive the faith to see that Jesus is the Son of God. A sick person may see that Jesus is with her in her suffering and begin to have hope. The faith that sees Jesus in others is the rock on which Jesus builds his church.

The responsibility comes in the binding and loosing. One meaning of this is the power that Jesus gives his church to forgive sins. So those who follow Jesus have that same obligation to forgive others. If we forgive those who hurt us, they may come to see God's love in us and know that God forgives them, too. So why pass up an opportunity to show God's love by forgiving someone? All Christians pray in the Lord's Prayer that we may be forgiven as we forgive others. Let us use the keys of the kingdom to open the doors of God's love.

TREASURES FROM OUR TRADITION

Today is an exceptional event on our calendar: the regular Sunday of Ordinary Time is eclipsed by a solemnity honoring two saints who didn't spend much time together in their earthly ministry, and who have distinct feasts so they probably don't mind sharing this one. Yet each suffered a similar fate in the same city, Rome, during the persecution of the Emperor Nero. Nero probably ordered the destruction of many of the residential neighborhoods in service to his building projects, and when the homeless began to look for someone to blame for the fires, Nero targeted the Christians. Soon, Peter was crucified, upside down, on the Vatican hill. Excavations (called *scavi*) under the Vatican basilica have proven the authenticity of his burial place near the place of his death. Paul, a Roman citizen, was later granted a swifter execution by sword, and is remembered at a vast basilica on the city's outskirts.

Peter and Paul were just about polar opposites. Peter rough and ready, Paul poetic and polished. Peter carried a burden of regret for his denials, Paul had his own issues with which he struggled. Peter leapt over barriers to go to the Gentiles, Paul strove with and surrendered to the same call. True, they spent very little time together in this life, but the same Spirit filled their hearts and by their witness changed the face of the earth.
