HOLY DAY OF OBLIGATION

The Assumption of the Blessed Virgin Mary

Friday, August 15th

Two Masses: 8:30 am

& 6:00 pm (Bilingual Mass)

Death Has No Power Over Her

Have you ever wondered about how Mary's family and friends would have reacted to her passing? Have you ever thought about how the early Christians would have noticed right away that there was no tomb for the Mother of their Lord and Savior? The final resting place of one who had given birth to the Son of God would have been highly venerated, and would be a frequented pilgrimage site to this day. Yet it does not exist. There is no tomb, no headstone, no sign marking the place where her body is buried in the Holy Land.

Today we celebrate the Blessed Mother's passing from this earthly life to the heavenly one, yet without passing through death. God surely would have wanted to call her to Himself in a most gentle and loving way. Just like she held Him in her arms as a sleeping babe, He now held her close as he carried her into eternity.

This feast reminds us once again that death is the result of sin. If the fall of man would not have happened, we would most likely all still be basking in the Garden of Eden. What sorrow it brings to have to wait for all the beauty, joy and peace that awaits us on the other side! What a tragedy that because of our sin we first must die!

TREASURES FROM OUR TRADITION

The wonderful diversity of life and worship among Roman Catholics of East and West is an example of God writing straight with crooked lines. The steady hand of the villainous Emperor Diocletian drew a line across Europe and Africa that split the empire in two, and for the most part determined how Christians would worship two thousand years later.

Italy's heel and the far northern city of Trieste fell on the Eastern side, and have had a form of Eastern liturgy ever since. Constantinople, which soon became the seat of the Roman Empire, became a base for Christianizing the East up to Russia and Poland. Poland was on the Eastern side, but a series of wars and medieval mayhem pushed the religious boundary back to the Ukraine, and Poland remains an outpost of the Latin Church to this day.

An old rule of thumb declared that whatever religion was observed by the local prince, the people had to follow. This gave rise to persecution and migration as people sought toleration for their expressions of faith. In the United States, we are accustomed to peaceful collaboration among Christians of East and West, a situation that challenges churches that still feel the pinch of age-old division.
