Eternal Father, Creator of all the world and all that is in it. We beg you to spare the Florida Keys and the world from storms and hurricanes. If any should occur, we ask that they all go out to sea where they may do the least amount of damage to anyone. We ask this through Christ our Lord. *Amen*

Lessons To Be Learned

The miracle of the loaves and fishes is one of the best known in the Gospels. When Jesus performs a miracle, he is not trying to show off his power. His actions always illustrate a lesson. This miracle can teach us many things. Let's look at a few of them.

One is the compassion of Christ. He takes pity on the crowd and first shows his love by curing their sick. Then he sees that they are hungry and he feeds them. This reminds us that Jesus knows what we need and cares about us.

The bread reminds us of Jesus' temptation in the desert, where he told the tempter that "man does not live on bread alone." Just as the miracle satisfied the hunger of five thousand families, so his word will satisfy the spiritual hunger of millions. The miracle also reminds us that Jesus will give us himself, his Body and Blood as bread and wine, to be our food and drink.

So the question is, do we learn from this miracle? Do we trust the Lord to care for all our needs? Do we try to live by God's word? And finally, do we take advantage of the great gift of the Eucharist? The miracle may have happened two thousand years ago, but the lessons are meant for us today.

TREASURES FROM OUR TRADITION

Over the last several weeks, the history of confirmation has been set out as a rite following baptism and preceding First Communion. Eucharist was a sacrament of spiritual maturity, attuned to the legal age of majority, which was considered to be fourteen years or so. Medieval bishops were often generous, if not especially pious, in seeing to it that children were confirmed before adulthood.

A pattern more familiar to us surfaced in the Diocese of Toulon in France in 1748, where it was decreed that "children are to be confirmed only after receiving First Communion." This was an amazing shift in practice that undermined centuries of theology and tradition by which confirmation was seen as a bridge between font and table. The innovation swept through France and across Europe, despite constant complaints from Rome. French-trained bishops like Cheverus of Boston and Carroll of Baltimore, founders of the American church, established the practice here. The order of the sacraments was thus disrupted in France and in the United States, and remained an eccentric exception to the rule until big developments in 1910.
