Eternal Father, Creator of all the world and all that is in it. We beg you to spare the Florida Keys and the world from storms and hurricanes. If any should occur, we ask that they all go out to sea where they may do the least amount of damage to anyone. We ask this through Christ our Lord. *Amen*

Treasures From Our Tradition

Over time, the severe form of one-chance penance collapsed under lack of enthusiasm for its burdens and its public nature. As ordinary Christians prayed for the great sinners, it must have occurred to them that they were sinners no less, and they required a form of penance also. The Irish came to the rescue, never having had a public form of penance, but inventing a system called "tariff penance," which was completely private, available to everyone, and wildly popular. After a detailed confession, priest and penitent would lie on the floor before the altar and recite a number of psalms. The priest then pronounced a judgment, a tariff, giving a task or a prayer to complete before reconciliation.

The surviving guidebooks for confessors make for hair-raising reading as the sins of which the Irish people were supposedly capable were catalogued and keyed to penances. Cattle or sheep rustling might require stripping down to sing psalms in an icy brook, for example, or adultery could be the occasion for rolling in a thicket of thorns. All of this might have stayed in Ireland had not the monks had a desire to travel, blazing across Europe with their theology and their rituals, and their sense that Christians needed strong medicine for sin and the assurance of God's forgiveness.

Support The ABCD

Through the prophet Isaiah, the Lord reminds us that His ways are greater than our own. We are invited to trust Him completely and to use the gifts He has entrusted to us for His glory. ABCD allows us to participate in God's work by supporting ministries that proclaim the Gospel, educate future generations, and care for our brothers and sisters in need. Together, we build God's Kingdom through generosity. Visit www.sanpedroparish.org, click the WeShare icon, contact the San Pedro Parish office at 305.852.5372 or utilize the new "Text-To-Give" program by texting "Pedro" to 833-336-9083 to receive a link to contribute. Management Unfair

Notice any difference between the attitude of Paul in the second reading and that of the workers in Matthew's Gospel? The workers grumble because the latecomers got the same pay as those who worked all day. Paul has worked for the Lord for years, yet he thinks it is better to keep working than to claim his reward of eternal life.

The workers grumbled because the landowner gave the same wages to the ones who only worked for an hour. (You can imagine the picket signs: Vinedressers Local on Strike: Management Unfair!) Matthew was referring to the Jews who had served God for centuries and now see newcomer Gentiles claiming equality in the church. They were complaining about God's generosity in reaching out to all peoples, not just the chosen few. God's generosity is the real point. Contrast that with Paul, who loves the Philippians so much that he is willing to put off his heavenly reward if he can help any more people come to Christ. That is the attitude that Jesus hopes for in all his disciples. We can care more about bringing Jesus to others than we do about our own comfort or even our lives. We can do this because we know the Lord's ways are not fair—they are more generous than we can imagine!
